

Privacy Policy

As your financial advisor and/or tax preparer, Brycast protects and respects your right to privacy. These are Brycast's policies with regard to your privacy.

Personal Information About You

Brycast collects nonpublic personal information about you, directly from you. Also, with your prior authorization, Brycast may collect information about you directly from a third party.

Parties to Whom Brycast May Disclose Information about You

Brycast does not disclose any nonpublic personal information about you without your prior permission, except as required by law. In the course of business, if Brycast needs to disclose nonpublic personal information about you to a third party, in order to better serve you, Brycast will ask for your permission first.

Protecting Your information

Brycast retains electronic and physical records relating to the professional services that are provided to you. In order to protect these records, Brycast maintains electronic, physical, procedural safeguards.
